

## Medicine

Medicine is the science of diagnosing, treating, and preventing diseases in humans. It involves comprehensive training in patient care, medical procedures, and research. Physicians work to understand the human body and apply various treatments, including medications and surgeries, to improve health outcomes and enhance patient well-being.

University	Country	Degree Offered	Entry Requirements	Application Process	Special Conditions/Notes
University of Oxford	UK	BM BCh (Medicine)	A-Level: A*AA (including Chemistry and one other science)	UCAS	BMAT required; Interview required; relevant experience recommended.
University of Cambridge	UK	MB BChir (Medicine)	A-Level: AAA (including Chemistry and one other science)	UCAS	BMAT required; Interview required; work experience recommended.
Imperial College London	UK	MBBS/BSc (Medicine)	A-Level: A*AA (including Chemistry and Biology)	UCAS	BMAT required; Interview required; relevant work experience advantageous.
University College London (UCL)	UK	MBBS/BSc (Medicine)	A-Level: A*AA (including Chemistry and Biology)	UCAS	BMAT required; Interview required; work experience recommended.
King's College London	UK	MBBS (Medicine)	A-Level: A*AA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience advantageous.
University of Edinburgh	UK	MBChB (Medicine)	A-Level: AAA (including Chemistry and one other science)	UCAS	No entrance exam; Interview required; work experience recommended.
University of Glasgow	UK	MBChB (Medicine)	A-Level: AAA (including Chemistry and Biology)	UCAS	No entrance exam; Interview required; relevant experience preferred.
University of Bristol	UK	MBChB (Medicine)	A-Level: AAA (including Chemistry and one other science)	UCAS	UCAT required; Interview required; relevant experience recommended.
Queen's University Belfast	Northern Ireland	MB BCh BAO (Medicine)	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; work experience advantageous.
University of Dundee	UK	MBChB (Medicine)	A-Level: AAA (including Chemistry and another science)	UCAS	UCAT required; Interview required; relevant experience preferred.
University of Nottingham	UK	BMBS (Medicine)	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience recommended.
University of Manchester	UK	MBChB (Medicine)	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience preferred.
Trinity College Dublin (TCD)	Ireland	MB BCh BAO (Medicine)	Irish Leaving Cert: H1 in Chemistry, Biology, and one other subject	CAO	HPAT required; Interview required; work experience recommended.
University College Dublin (UCD)	Ireland	MB BCh BAO (Medicine)	Irish Leaving Cert: H1 in Chemistry, Biology, and one other science	CAO	HPAT required; Interview required; work experience advantageous.
