Dentistry

Dentistry is the healthcare field focused on the diagnosis, treatment, and prevention of oral health issues. Dentists care for teeth, gums, and the mouth, performing procedures like fillings, extractions, and cleanings. They also educate patients on maintaining oral hygiene to prevent future dental problems, playing a crucial role in overall health and well-being.

University	Country	Degree Offered	Entry Requirements	Application Process	Special Conditions/Notes
King's College London	UK	BDS Dentistry	A-Level: A*AA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; work experience recommended.
University of Birmingham	UK	BDS Dentistry	A-Level: A*AA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience advantageous.
Queen's University Belfast	Northern Ireland	BDS Dentistry	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; work experience advantageous.
University of Glasgow	UK	BDS Dentistry	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience recommended.
University of Manchester	UK	BDS Dentistry	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience preferred.
Trinity College Dublin (TCD)	Ireland	BDentSc (Dentistry)	Irish Leaving Cert: H1 in Chemistry, Biology, and one other subject	CAO	HPAT required; Interview required; work experience recommended.
University College Cork (UCC)	Ireland	BDS Dentistry	Irish Leaving Cert: H1 in Chemistry and Biology	CAO	HPAT required; Interview required; work experience advantageous.
Newcastle University	UK	BDS Dentistry	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant experience recommended.
University of Leeds	UK	BChD/MChD Dentistry	A-Level: AAA (including Chemistry and Biology)	UCAS	UCAT required; Interview required; relevant work experience recommended.
