## Agriculture

Agriculture is the science and practice of farming, including the cultivation of plants and the rearing of animals for food, fiber, and other products. Agricultural degrees cover topics such as crop production, animal husbandry, agribusiness, and sustainable farming practices. Graduates often work in farming, research, agronomy, and food production.

University/College	Country	Degree Offered	Entry Requirements	Application Process	Special Conditions/Notes
Harper Adams University	UK	BSc (Hons) Agriculture	A-Level: BBB	UCAS	No special conditions.
University of Reading	UK	BSc (Hons) Agriculture	A-Level: BBB	UCAS	No special conditions.
University of Nottingham	UK	BSc (Hons) Agricultural Science	A-Level: ABB	UCAS	No special conditions.
University of Aberdeen	UK	BSc (Hons) Agriculture	A-Level: BBB	UCAS	No special conditions.
University of Edinburgh	UK	BSc (Hons) Agriculture	A-Level: BBB	UCAS	No special conditions.
CAFRE (College of Agriculture, Food and Rural Enterprise)	Northern Ireland	BSc (Hons) Agricultural Technology	A-Level: CCC (no specific science requirement)	Direct application	No special conditions.
University College Dublin (UCD)	Ireland	BSc (Hons) Agricultural Science	Irish Leaving Cert: H4 in Biology and Chemistry	CAO	No special conditions.
Aberystwyth University	UK	BSc (Hons) Agriculture with Animal Science	A-Level: BBC	UCAS	No special conditions.
Royal Agricultural University	UK	BSc (Hons) Agriculture	A-Level: BBC	UCAS	No special conditions.
University of Limerick	Ireland	BSc (Hons) Agricultural Science	Irish Leaving Cert: H4 in two subjects	CAO	No special conditions.
